Customize

ACCESSORIES YOUR WAY

This honor bar tray based on our Mother of Pearl bath collection was designed with St. Regis Princeville

Why to match?

PARADIGM TRENDS UNDERSTANDS.

We've been working with hotels to create custom accessories for over 15 years.

Longstanding relationships with our factories allows Paradigm Trends to closely manage the manufacturing process including designing, sampling, costing, production and delivery. This process ensures that you get the most flexibility, highest quality and best service.

Paradigm Trends can design & build entirely new products or alter existing products to fit your needs.

color

we can match our leather and resin to your pantone color

finish

whether you want gold, bronze, brass, shiny nickel or brushed nickel, we can make it a reality

shape & details

want to make an item bigger? smaller? add a beaded detail? alter it's shape? add a handle? no problem!

With over 25 years in the industry, PARADIGM TRENDS has the ability to offer customers the experience they're looking for. From distinctive custom pieces to staple accessories for the guestroom, bath and bar areas, we are the premier destination for properties seeking one company for all of their accessory needs.
